## **PLANNING APPLICATIONS**

Planning Application 19/4048M was considered and the Committee resolved to make the following objection:

**Prestbury Parish Council object to this application as it is out of character and over bearing to the street scene. The application was originally approved (18/6432M) with a single integral garage, which was in keeping with the development and the area.**

**There is no screening offered in the proposal to neighbouring properties and there is concern amongst residents that this planning application would result in a loss of privacy and a loss of light. It is unclear on the Site Layout plans what the dotted rectangular line represents to the side of the proposed garage.**

## **NEXT MEETING**

The Committee noted the date of the next meeting to be held on Wednesday 2 October 2019.

Meeting closed: 4.10pm
